MARRIED MEN TO HAVE THEIR SAY

Will Be Given a Chance to Talk at Y. M. C. A. Forum Meeting.

Since the unmarried men of the Forum were given an opportunity to explain away their sins of omission at one of the Forum meetings and tell why they were not married, the married men have demanded the same privilege, and Saturday night they will tell why they are married. Each married member of the Forum will be given a chance to square

himself with his better half by telling how he just could not and would not think of reverting to the barbaric unmarried state. In addition to the married men's talks, Ed Hodge will give his experiences on board a cattle boat crossing the Atlantic, and Dr. John R. MacArthur, of the A. & M. college at Mesilla Park, will give an educational talk.

The third of the four gold medal contests which are being held by the Y. M. C. A. physical department will be held tonight. The four athletes having the high scores in the medal contest are: Miller, 17 points; Dorris, 16.5-8; A. L. Pickens, 15; Robertson, 12.1-3. There will be six events in the meet tonight. The first of the intermediate medal contests for boys between 14 and 18 years will

also be held tonight.

The floor of the lobby at the Y. M. C. A. is being oiled and polished causing the building to smell like a furniture factory.

"Oh, I've not left out," said the child. "I've the baby waiting to be born."
